03 ENTER CUSTOMER INFO

Be thorough! Website, Email & other info will be displayed to the end user!

Customize a Catalog for your Customer

CUSTOMER NOTIFICATION EMAIL

Would you like us to automatically send the customized catalog link and information to the customer after you have created it?
[Click here](#) to see a sample of the email we will send.

- ☐ Yes, send the catalog information to the customer. **NOTE: If you do not include an email address below the email will not be delivered.**
- ☒ No, do not send the customer an email. I will send them the information myself.

SELECT A CUSTOMER: ADD, EDIT AND REMOVE CUSTOMERS FROM THE LIST

Only you will be able to see the customers you add in this section. They will not become part of the general database.

[REPLACE LOGO](#)

Image must be .png (preferred) or .jpg.

ADD MULTIPLE CUSTOMERS AT ONCE

Add multiple customer profiles at once by uploading a CSV spreadsheet.
You must set up your spreadsheet according to our template. [Click here to download the CSV template](#)

[UPLOAD YOUR SPREADSHEET](#)
